2017 DIRECTORY ADVERTISING CARD

2017 Partners receive a featured listing in the online directory and do not need to fill out this

The Met PGA online Directory is an invaluable searchable database of golf facilities, companies, and sales representatives in our golf community. We list golf facilities in Long Island, Westchester, NYC, the Catskills, Hudson Valley, and Fairfield County, CT.

As an advertiser in the Met PGA Directory you will receive your own webpage in the directory where we advertise all of your companies information in one simple and easy to use platform. Your page will include your contact information, your picture, logo's of the companies you represent, and links to the companies information which will include an area to post most recent product catalogs. You can also print the directory listings from your home computer, or order a printed version online.
