

Employment Opportunity

Position: Met PGA Field Staff Member

The PGA of America was born in New York in 1916, and has grown into the country's largest sports association, made up of over 28,000 professionals. At the forefront of the National PGA both then and today, is the Metropolitan Section. Though it ranks only 16th in total number of section members, the Metropolitan PGA's professionals, clubs, and programs are nationally known for their leadership, innovation and quality. The programming has helped elevate our local association to a position of prominence, both in the New York area and among its national counterparts.

Employment Dates: April – October. Season-long and event by event opportunities available.
