

The Mill River Club is seeking an **Assistant Golf Professional** to assist with the day-to-day operations and provide other professional services to ensure an exceptional customer service experience.

- In this position, you will have a specific leadership role in managing the Golf Shop operation as well as additional opportunities in instruction and junior golf.
- Responsibilities include:
 - Provide an exceptional service environment, meeting and exceeding all expectations of members and guests.
 - Manage and track inventory while maintaining a neat and orderly Golf Shop
 - Maintain consistent communication with the entire staff to coordinate assigned tournaments, events, clinics and junior camp.
 - Lead the junior golf camp during the summer months
 - Golf Genius knowledge a plus
 - Assist/and or lead in running men's mixed events when needed
 - Run Monday outings
 - Compete in Met section PGA tournaments when possible
 - Continue personal & professional growth during the winter season.
 - Maintain good standing with the PGA of America, complete necessary MSR requirements
 - Participate and/or lead assigned clinics
 - Trackman - be educated on proper use
- Competitive compensation based upon experience. Lesson, clinic, and outing revenue. Meals while on duty. Playing and practice privileges. Generous winter Assistants fund and PGA dues paid for by the club.
