

The Golf Club of Purchase is seeking Player Services positions for the 2023 golf season.

Position overview:

Player Services staff focus on member and guest services and hospitality. The role involves interacting with members and guests on a daily basis and helping to set up the practice facilities for daily use. Setting up the driving range, golf carts and golf bags in the mornings and putting things away and cleaning up in the evenings. Shifts run from 6:30 am to 1 pm or 12:30 pm to dusk.

The Player Services team oversee the organization of the golf carts, bagroom, driving range and practice facilities. Helping members with their clubs and working with the professional staff on daily activities.

Training begins at the end of March to early April. Golf experience is helpful but not necessary. Work experience in the hospitality business is an added benefit.

Uniforms provided as are meals during working shifts. There are full time and part time positions starting at \$17 per hour. Other work benefits available upon interview.
