

Sands Point Golf Club founded in 1927 and designed by the famed A.W. Tillinast. Keith Foster restored the golf course in 2012 bringing it up to date as well as reintroducing many of Tilly's features. Sands Point will be hosting numerous MGA and LIGA events over the next 5 years such as The Ike, US Senior Open Local Qualifier and the Long Island Open.

The Assistant Golf Professional position will be from approximately April 1 through December 31. The candidate will work directly with the head golf professional and the rest of the golf staff to handle the daily golf operations, including but not limited to, golf shop management, tournament operations, junior instruction, and other professional services. This role will spend their primary time managing the golf shop, while also teaching and assisting with junior and women's golf programs.
