

South Fork Country Club

Assistant Professional Position

South Fork Country Club is looking for a new assistant to help run our outside operation and the junior program for the summer months May 1st through October 1st, 2023. This position is an hourly position with extra income coming from lessons, clinics, and gratuities. South Fork's outside positions are available for gratuities. Anticipated total compensation for this position is \$35,000 per year.

The qualified candidate should possess a great personality, foresee a future in the golf industry, and a willingness to advance themselves for better positions through the PGA of America and the Metropolitan Section. A team player in all club operations is essential.

Benefits

- Tournaments and PGA Education paid by the club
- Housing
- Meals and Staff Clothing
- Family time off, fully paid
- Bonus schedule based on performance post year-end review
- Letter of employment
- Education and preparing you for the next step in your career
- Travel expenses paid for educational events and golf trips that benefit the Club.

Qualifications

- Someone willing to learn
- Possible previous employment at another private club
- A team player
- Knowledge in the golf industry, possibly someone that would make golf their career
- A college education is desired but not necessary

South Fork is a great place to work for family, advancement, and has a great balance within our team concept. You will be appreciated and offered a place that you work with all of us, not for us.

If interested please contact Tim Garvin Director of Golf, South Fork Country Club
