April 28th, 2024,

Jared Goldstein
Metropolitan PGA Section
49 Knollwood Road
Elmsford, NY 10523

Dear Jared,

Please see my notes below regarding my application to run for a Vice President position on the Met PGA Assistants Board.

- I. Mentorship, Growth, & Development
 - a. As the Section has revived the Mentorship program, it is vitally important that we stay on top of this and continue to expand it
 - i. Shared Google Drive or Group me chat of some of our "Best of" Ideas
 1. Tournament formats, tee gifts, proper verbiage on pace of play emails, teaching philosophies, etc...
 - b. Growing and networking together amongst professional is equally as vital
 - i. "Baby Boomer" generation retiring & new courses are leading to tremendous job openings across the board and its on us to encourage growth amongst us professional and go get these jobs
 - ii. For associates in the sections, connecting them with the right professionals to conduct PGA work, grow their brand & knowledge
- II. Continued expansion of the Assistant Tournaments
 - a. Carly and others have done a tremendous job of growing the number of tournaments and caliber of courses played this year over last
 - b. Create a dialogue amongst professionals we can use to bring to our HPs & DoGs about hosting an event
 - i. Brings numerous professionals to our course, which can lead to a domino effect of good things, pass along the good word of XYZ club when an assistant goes back to their club, future hires, networking etc...

Best Regards,

Lucas Spahl, PGA
