Job Opening:  
Summer Camp Golf Counselor

---

Title: **Summer Camp Golf Counselor**

**Description:**

US Golf Camps ([www.usgolfcamps.com](http://www.usgolfcamps.com)) conduct the Ultimate Junior Golf Camp Experience for boys & girls 9-18 years old. Each summer, campers come from 45 states & 30 countries to join our program. Our camp is located on the campus of the Kiski School - 30 miles outside of Pittsburgh. We are seeking organized, dynamic, and outgoing candidates to become Golf Counselors for the summer of 2025.

The position provides an excellent opportunity to develop teaching skills and to work with dynamic & energetic children. Counselors must both enjoy working with juniors and be comfortable leading groups in a clinic setting. All counselors will learn and use the latest technology, such as the Flightscope Launch Monitor, Sportsbox AI, and the V1 video system. The majority of instruction takes place on-site at the Kiski School. Facilities include a private 9-hole golf course, full driving range, and practice green.

In addition to daily golf instruction, counselors will also have supervisory responsibilities in the evenings and are expected to participate in a variety of activities (swimming, tennis, soccer, basketball, etc.) during the late afternoons and evenings with campers.
